A LOOK AT FEBRUARY

Student Section

Despite it being the first year of Imago Dei Academy, I have seen many positive and Christian qualities in the school.

Christ plays an active part in Imago Dei Academy. From daily Bible classes, to relative discussion about Christ. There is chapel three times a week, where students listen to messages from speakers.

The curriculum for the school is personalized. If a student is at a different level than the class, they will receive aid from teachers, staff and volunteers to maintain a steady progress in their studies.

Imago Dei Academy has a comfortable and lively environment. Classes engage in their work with games and friendly competitions. Both students and staff are good-natured and treat each other with both respect and warmth.

The teachers at Imago Dei Academy can talk and engage with students on a personal level. Teachers are open to learning new things with their students.

The volunteers at Imago Dei Academy Are both helpful to the school and unselfish with the time they spend helping the school function.

Imago Dei Academy has many extra curricular activities, such as cross country, rugby, choir, stringed instruments, and art classes. In these activities students can have both fun and learn new things.

Overall, Imago Dei Academy is Christ centered, Engaging and has dedicated staff and volunteers.

TEACHER'S CORNER

Mrs. Zimmerman

Kindergarten, 1st & 2nd Grade

Welcome to my little corner of crazy!

These kids are a hoot. They make me laugh about something regularly. In our curriculum we are learning so many cool things! Including biographies of famous composers and artists over the years (Beethoven, Chopin, Faure, Michelangelo, Van Gogh, Durer and more!) My students are also trying their hand in cursive writing. Slowly learning each letter and working on writing their name in cursive. In Arithmetic we have been working on telling time, measurements, carrying numbers and skip counting. They are all so bright, I'm excited to see how they continue to grow through the rest of the year. We've been reading Billy and Blaze as well as Blaze and the Forest Fire. The reading skills are just blossoming in the classroom, I love listening to them each read individually.

Recitation is one of my favorites. There are so many amazing facts that the students are learning through memorization.

Here's a few to challenge yourself:

1. How many US time zones are there? Name them.
2. How many oceans are there? Name them.
3. When did Columbus discover America?
4. What are the 5 categories of animals with backbones?

Scripture of the week:

1 Corinthians 3:17 The temple of God is holy, which temple ye are.

Extra Extra

Middle School Track and Field will be starting the beginning of April. We are excited to be able to add this sport to our Academy for a Spring season.

Gala Fundraiser will be August 5th, 2023 at Rhoyal Rock Stables Event Barn.

Entertainment for this event will be "**Fiddlesticks**" with an old fashion pig roast, corn on the cob, and pies dinner. More information to come. Tickets will go on sale in a couple months.
