### Strings & Choir

At IDA, we believe every child should participate in a musical art form. For that reason, we began offering Strings (orchestra) and Choir in our inaugural school year. Students also have the option of participating in individual piano lessons. Aside from individual instruction, our Strings students also will form an ensemble and perform for friends and family at various opportunities throughout the school year. We are fortunate to have Ms. Emily Kormann and Ms. Nicole Deford directing our music programs this school year. Please reach out if you have a student interested in participating.

## TEACHER'S CORNER

Mrs. Zimmerman, Lower Grammar

Welcome to December!

### What's new?

Well, the BIG news is that we have obtained a slew of ants as our classroom pets!

Ant Doris, Ant Gertrude, Ant Hilga....to name a few.

The students are really enjoying them and watching their work progress each day!

### What are the students working on?

We just finished reading American Animal Folktales and will be moving onto The Courage of Sarah Noble.

We've moved into multiplication and carrying numbers in addition.

In Latin we have learned some nouns and numbers 1-10.

The students are using cursive more often and working on reciting with good posture and clear voices.

Overall our daily rhythm is going very smooth and I'm very proud of the students for all their hard work each day!
