Imago Dei Statement of Faith

Governments

- We believe that God has ordained various governments among men. The three basic governments are civil government (Romans 13:1-7), church government (Ephesians 2:19-22; Hebrews 13:7, 17; Matthew 18:15-17), and family government (Ephesians 5:22-6:4). All of these governments are dependent on the grace of God, common or special, working in individuals to bring about self-government. God has ordained the realm of each and assigned to them differing responsibilities within their separate jurisdictions.
- We believe that Christian parents have the responsibility before God to provide their children with a godly understanding of the world in which they are growing up. To this end, Christian education, however administered, is essential (Deuteronomy 6:1-6). The civil government has no duty or obligation to rear or educate our children. That authority has been given to the parents, with ultimate accountability having been assigned to the father (Ephesians 6:4).

TEACHER'S CORNER

Mrs. Zimmerman, Logic & Rhetoric Teacher

Welcome October!

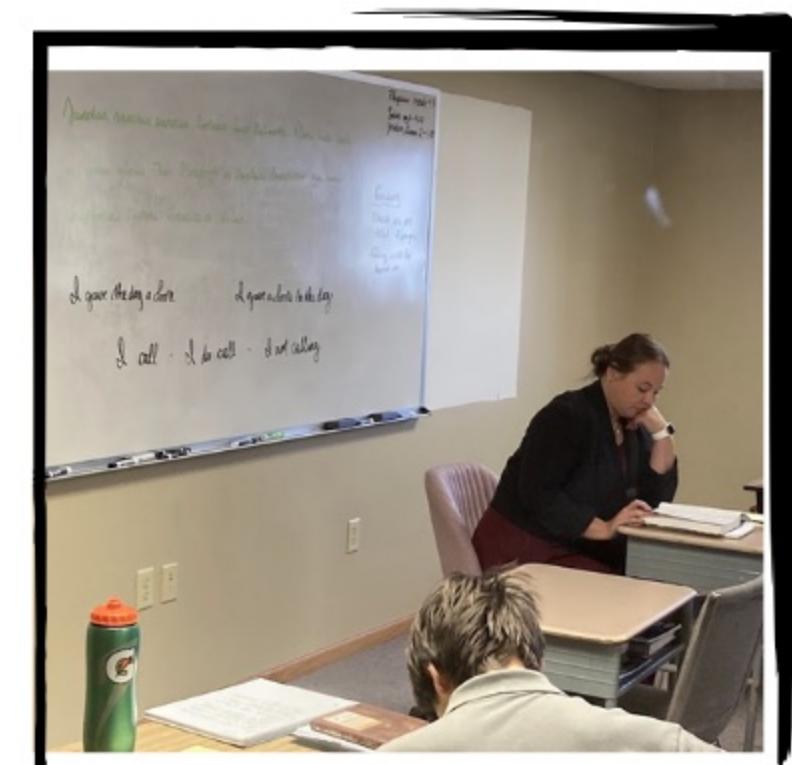

Seasonal changes can sometimes take a toll on us, but do not forget that seasons are purposeful and God gave them to us for a reason.

"And let us not get tired of doing what is right, for after a while we will reap a harvest of blessing if we don't get discouraged and give up." (Galatians 6:9)
Whether literal seasons or personal internal seasons, we can always turn to YHWH for guidance.

Our heavenly Father did not make a mistake when he laid on your heart the possibility of sending your child(ren) to Imago Dei Academy. He did not make a mistake when He pursued Mr./Dr. Smith to take on the endeavor of bringing Classical Christian education to Ladysmith.

I've been blessed again this year to teach a mix of middle and high school classes. Most of them are 'new to me' subjects, which has been exciting! I'm looking forward to another successful year at Imago Dei Academy.

Happy Fall!

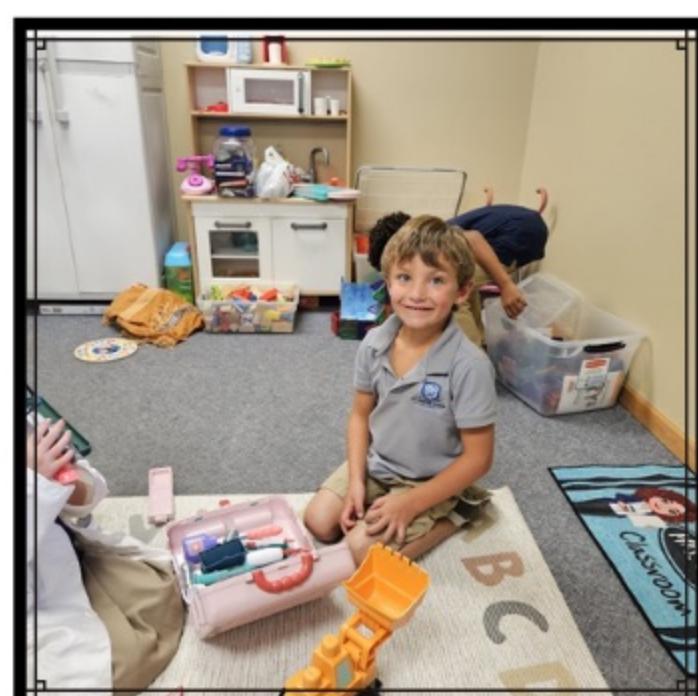

Student Section

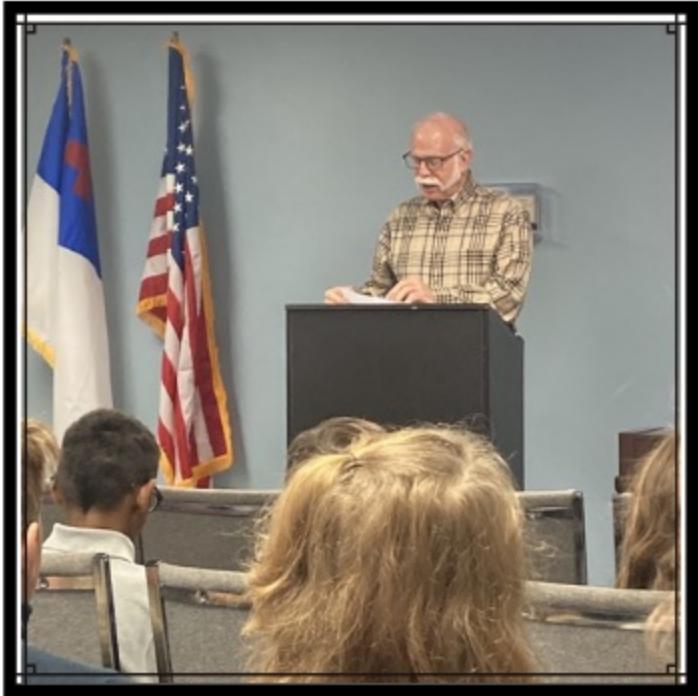

I have had a great year so far. My knowledge of birds has increased and my creative writing expanded. My Christian education has grown and flourished.

My class has started, "Adam of the Road", it is a book about a kid who lost his dog and his Dad. So now he has to look for him.

Interested in helping IDA's mission?

You can directly meet our current student and school's needs through giving to the following.

- The new school location will need some landscaping to spruce up the outside. Consider making a landscaping donation to that project.
- With a new building comes the increase of utilities. Consider becoming a monthly donor to help with the cost of these increased utilities as we work to adjust the new budget.
- We will be ordering wrestling singlets and a mat for the new high school wrestling team starting soon. Any donation amount will help to offset that cost!!

Please indicate on your giving submission which item you would like to help with.

You can mail your donation to Imago Dei Academy 1104 Lake Ave. Ladysmith, WI 54848

FAMILY CORNER

Loring Family

The school has made the transition to schooling such a breeze. The community that the school is feels like a family, and we know Dylan is not only being educated but also learning respect for others. We love that he is following the lord and learning his name.

Our favorite event the school puts on is the fall event at the flambeau mine. Our first time was last year and we fell in love with the concept! The school goes on a nature walk through the trails and end back up having a campfire with snacks. The kids all were gathered playing music and singing. It was perfect!

For our family time we usually spend our weekends down at my mother's place on the water. Dylan loves to fish, so we do a lot of outdoor activities. We spend evenings taking Lorelei for walks and playing with our puppies Charlie and Oliver. Hudson is getting excited to start preschool soon!

A Month IN REVIEW

September:

The month of September has had some trials with the approval of the building, but God has not let us falter. He has reminded us to keep our eyes on him and have faith like Peter did when he stepped out of the boat toward Jesus.

School started on September 2nd. As we are working through the first couple weeks, we work on getting back into a routine, focusing on behaviors and how to treat others during class and recess times, and adjusting the schedule as needed to help the school day flow better.

In this month we have school picture day and the Walk for Life event. This event follows with our first fellowship picnic. This picnic is always a nice beginning for new families to get to know other families after their children have been in class together for a few weeks.

We have been blessed this month to have two families write Thrivent grants for us. One of the grants is to receive 50 Bibles for the Chapel and the second is for the Kindergarten classroom to receive their Read Aloud Book Set that they use during Enrichment time.

Already the first month of the school year has flown quickly by.
